Cast Steel & Alloy Flanged End Basket Strainers

Models: 185, Class 150
186, Class 300
Sizes: 1 1/2" – 20" (40 – 500mm)

Strainers provide economical protection for costly pumps, meters, valves, and other similar mechanical equipment by straining foreign matter from the connected piping system. Installation of a strainer before mechanical equipment can ensure trouble free service and avoid costly shutdowns for repair or replacement of equipment damaged by foreign matter. The size of the perforation or mesh in the basket screen will determine the smallest particles captured. See Strainer Information section of Mueller Steam Specialty Engineering binder for detailed information including sizes and materials available.

Typical Service

- These rugged strainers can be specified for many applications in chemical processes, including brine, paint, fuel oil, organic and inorganic chemicals, as well as condensers and heat exchangers, to name just a few.
- They are especially suited for medium or coarse straining. For finer straining, see Model 125F-CS or 126F-CS.

Features

- The angular cutaway design of the baskets allows a straight through flow, resulting in extremely low pressure drop.
- Tapped and plugged NPT drain on the strainer bottom enables easy self-cleaning on open bottom baskets. Simply open the valve or plug on the outlet to flush accumulated particles.
- Bodies can be tapped for pressure gauges, or per customer requirement, consult factory.

Construction

- Cover is a flanged bolted design for easy basket removal.

Models 185, 186

Pressure/Temperature-Non-Shock

Model	Material	Rating
185	Carbon Steel	285psi @ -20°F to 100°F
		19.65 bar @ 37.78°C
		150psi @ 565°F
185	Chrome Molly	10.34 bar @ 296.11°C
		290psi @ -20°F to 100°F
		19.99 bar @ 37.78°C
186	Carbon Steel	150psi @ 565°F
		10.34 bar @ 296.11°C
		740psi @ -20°F to 100°F
186	Chrome Molly	51.02 bar @ 37.78°C
		320psi @ 850°F
		22.06 bar @ 454.44°C
186	Carbon Steel	750psi @ -20°F to 100°F
		51.71 bar @ 37.78°C
		485psi @ 850°F
186	Chrome Molly	33.44 bar @ 454.44°C

Max. temp. can be limited by gasket material. Consult factory.

NOTICE

The information contained herein is not intended to replace the full product installation and safety information available or the experience of a trained product installer. You are required to thoroughly read all installation instructions and product safety information before beginning the installation of this product.

Mueller Steam Specialty product specifications in U.S. customary units and metric are approximate and are provided for reference only. For precise measurements, please contact Mueller Steam Specialty Technical Service. Mueller Steam Specialty reserves the right to change or modify product design, construction, specifications, or materials without prior notice and without incurring any obligation to make such changes and modifications on Mueller Steam Specialty products previously or subsequently sold.

Mueller Steam Specialty™

A WATTS Brand

Capacity

- Large bodies and generous sized baskets.
- Minimum 6 to 1 ratio.

Special Coating and Treatments

- Epoxy and other corrosion resistant coatings are available on Carbon Steel, consult factory.

Steam Jacketing

Available on request, consult factory.

Limited Warranty: Mueller Steam Specialty warrants each product to be free from defects in material and workmanship under normal usage for a period of one year from the date of original shipment. In the event of such defects within the warranty period, the Company will, at its option, replace or recondition the product without charge. This shall constitute the sole and exclusive remedy for breach of warranty, and the Company shall not be responsible for any incidental, special or consequential damages, including without limitation, lost profits or the cost of repairing or replacing other property which is damaged if this product does not work properly, other costs resulting from labor charges, delays, vandalism, negligence, fouling caused by foreign material, damage from adverse water conditions, chemical, or any other circumstances over which the Company has no control. This warranty shall be invalidated by any abuse, misuse, misapplication or improper installation of the product. **THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.** Any implied warranties that are imposed by law are limited in duration to one year.

Some States do not allow limitations on how long an implied warranty lasts, and some States do not allow the exclusion or limitation of incidental or consequential damages. Therefore the above limitations may not apply to you. This Limited Warranty gives you specific legal rights, and you may have other rights that vary from State to State. You should consult applicable state laws to determine your rights.
