

Package Overview

Watts® Pure Water® recommends considering package solutions designed to address the most common water challenges in your home. See inside to learn more about the features and benefits of these popular systems and find the one that best meets your needs.

Select Package

45K WATER SOFTENING SYSTEM

PWSR145 – Whole House

Complete, two tank whole house water softener also reduces traces of iron and sediment.

- High-capacity exchange media provides up to 45,000 grains of hardness removal capacity
- State of the art controller increases system efficiency, saving salt and water
- Engineered and tested to perform for a long, dependable operating lifespan

LEAD FILTRATION SYSTEM

PWDWHCL1 – Under Counter

Protect what matters most with this under counter high capacity filtration system, certified to remove 99.2% of lead from your water.

- Certified to reduce lead, parasitic cysts, chlorine taste, odor, and sediment
- Connects directly to your existing kitchen, bar or bathroom faucet
- High capacity, Kwik Change filter design requires just a quarter turn to install or replace

Eco-Select Package

ONEFLOW®+ SALT-FREE SCALE PREVENTION SYSTEM

OFPSYS – Whole House

Exclusive salt-free alternative to water softening prevents scale, sediment, chlorine taste and odors, to improve water quality from every tap.

- Environmentally friendly - salt-free, chemical-free, no electricity, no wasted water
- High capacity, easy to install
- Virtually maintenance-free

SINGLE STAGE TOTAL PFAS FILTRATION SYSTEM

PWDWTPFAS1 – Under Counter

Per- and polyfluoroalkyl substances (PFAS), also known as “forever chemicals,” are a growing concern with respect to drinking water contamination. Get the cleaner, safer water you deserve with our Total PFAS Filtration System.

- Certified to reduce 99.5% Total PFAS: PFOA, PFOS, PFHxS, PFNA, PFHpA, PFBS & PFDA
- Certified to reduce microplastics, lead, cysts & more
- Easy, undercounter installation - connects to any existing faucet
- Simple, no mess filter replacements

Ultimate Package
