

# QT Quick Turn™ Thin Wall Carriers

Closet Carriers That Get the Job Done, Quick.

Personalized Assembly Options & Easier Jobsite Adjustability

**Pre-Fab benefits**  
Easy mount holes for angle iron or Unistrut rails

**Same size (15/16") bolt head**  
Adjust with the same size socket

**3/8" threaded bosses**  
Accommodate fabricated flush valve supports independent of the carrier studs

**Uprights**  
Fully adjust from the front of the faceplate

**Incremental Heights**  
Higher strength legs with cast in height markings for quick vertical adjustment(s)

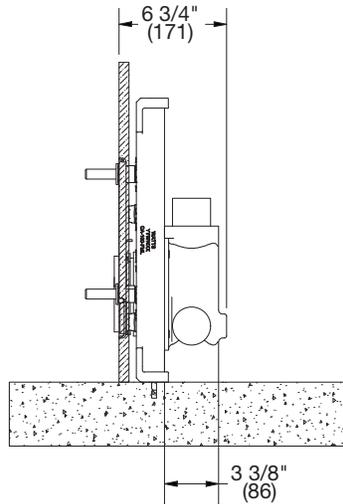

**Narrow Chase Fitting**  
4" (STD) or 3" Specified narrow chase fitting w/o rear anchor

\*Also available in threaded faceplate
